Where You Will Be Staying

We will be sleeping in the student apartment complex. They contain suites of 4 bedrooms, two baths, a full kitchen & air conditioning . We will also have access to the Gallagher Center which has pool & ping pong tables and a lounge area.

We will be spending our days in teams on various work projects in the city of Niagara Falls. All projects will be coordinated by the university's office of civic engagement and fully supervised by adults. After dinner there will be time for recreation in the Gallagher center and a time of fun, worship and inspiration in the Alumni Chapel.

I (we) understand that, in the event that medical treatment is required, every effort will be made to contact me. However, if I cannot be reached, I give permission to the Young Life Staff to secure the services of a licensed physician to provide the care necessary, including anesthesia, for my child's wellbeing.
